

EMPLOYMENT TRIBUNALS

Claimant: **Giovanni Zannelli**

Respondent: **'O Ver Borough Ltd**

DECISION

1. The respondent's applications dated 28/02/2022 for an extension of time for presenting a response and for reconsideration of the judgment sent to the parties on 31/01/2022 are refused.

REASONS

2. A response dated 08/07/2021 (submitted late with permission) was considered when judgment was made. That response resisted the claim on grounds including that the duration of notice claimed was incorrect. The issue was considered during the hearing on 28/01/2022 and resolved in the judgment.
3. The disputed issue of the duration of the notice to which the claimant was entitled has been considered. The claimant participated in the hearing whereas the respondent chose not to. Reconsideration would occasion delay and expense. Therefore, it is not necessary in the interests of justice to reconsider the judgment.
