

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr Alan Leslie

**Respondent:** Driver and Vehicle Standards Agency

## JUDGMENT

The claimant's application dated 14 April 2022 for reconsideration of the judgment sent to the parties on 5 April 2022 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked. Reconsideration is not an opportunity to argue the same points again. The medical evidence, the claimant's own evidence and arguments about causation were all raised and considered at the hearing.
