Aspect	Details
Images	
Alert Number	2205-0025
Product Type	Lighting equipment – Table lamp
Product Identifiers	Bar code: F1035YXX, F1037YXX, F1038YXX (six-piece package). The Y character indicates the market, the X indicates the colour. The recall relates to products placed on the market from October 2016 to July 2019 for one-piece packages, and until December 2016 for six-piece packages.
Product Description	Rechargeable direct-light table lamp, base diameter 81mm, height 270mm, 0.6kg. Lamp can be disconnected from the power supply.
Country of Origin	China
Counterfeit	Not counterfeit
Risk Level	Low
Risk Type	Fire
Risk Description	The product has been identified as presenting a risk of fire as, if there is a battery fault, it may overheat leading to the plastic compartment in which it has been placed deforming. Thermal stress can lead in some cases to the emission of smoke and flames. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	Flos have voluntarily launched a battery replacement campaign and have warned that the lamp should not be used until the battery is replaced.
