JUDGMENT

1. The claimant's application dated the 25th May 2022 for reconsideration of the judgment sent to the parties on the 24th May 2022, is refused.

On the 25th May 2022, the claimant made an application for reconsideration.

3. In his application for reconsideration, the claimant states:

"...I would like to request Judge Apted to Reconsider my evidence this evidence consists of Defamation of Character & Report of the incident to Regional Coordinator the HR Department should have ask questions regarding my sick note I was sick few the first few months I was not given return to work Interview they never considered my health until now I have Chronic health conditions.I told the Judge I have a lot of evidence but I have to go through Archives of emails."

4. There is no reasonable prospect of the original decision being varied or revoked, because the Tribunal still has no jurisdiction to hear the claimant's claims.
