

Request to remove a re-registered design (International Registration) from the UK register

Use this form to inform us that you do not want your re-registered design (International Registration) to be registered in the United Kingdom.

We will remove your re-registered design from the UK register and it will no longer be treated as registered under the UK Registered Designs Act and Rules.

Do not use this form to request removal of re-registered design which corresponds to a registered Community design.

1. International Registration number:

2. Is there any person with an interest in International Registration designating the EU which had effect in the UK and was recorded in the International Register?

For example, an interest created by a mortgage, licence or other instrument

Yes

This person has had not less than 3 months' notice, or provided consent to opt out of UK registration

If yes, go to section 4

No

If no, go to section 5

3. Name and address of interested person

Full Name:

Address:

<input type="text"/>	
<input type="text"/>	
<input type="text"/>	
<input type="text"/>	Postcode

4. Signature:

5. Date:

Checklist

Please make sure you have remembered to:

- Provide the International Registration number
- Provide the name and address of any person with an interest in the International Registration designating the EU
- Sign and date the form
