

EMPLOYMENT TRIBUNALS

Appellant: Casa Colombiana Ltd

Respondent: Commissioners for Revenue and Customs

STRIKE OUT JUDGMENT

1. On its own initiative, the Tribunal has struck out the Appellant's appeal against a notice of under-payment issued under the National Minimum Wage Act 1998 in its entirety on the grounds that it had no reasonable prospects of success (Rule 37(1)(a) of the Employment Tribunal Rules of Procedure 2013).
