Note: Reasons for the judgment were given orally at the hearing. Full written reasons will not be provided unless asked for by a written request presented by any party within 14 days of the sending of the written record of the decision.

**The claimant did not attend the hearing in person and was unable to attend the tribunal when the office telephoned him to query his attendance. Both parties consented to the claimant joining by telephone in order to complete the hearing, and I considered it to be in accordance with the overriding objective to conduct the hearing in this manner to save delay and expense to the determination of the claimant's claims.*
