**EXPORT OF REPTILES, AMPHIBIANS AND SOME INVERTEBRATES TO CZECH REPUBLIC
NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS**

This document should not be read as a standalone document but in conjunction with 9044EHC

Please note: The State Veterinary Service of the Czech Republic (SVS CR) have advised they will only accept the original Czech model of the health certificate.

1. SCOPE OF THE CERTIFICATE

This certificate may be used for the export of reptiles, amphibians, and some invertebrates where the certification takes place in Wales, Scotland, or England, i.e. Great Britain only.

2. CERTIFICATION

The basic principles of certification apply and although this is not an EU (European Union) level harmonised EU entry certificate, the general requirements that the EU specifies for its harmonised certificates should be followed.

Please note that this certificate is taken from an English translation provided by Czech Republic and the English text is therefore constrained by that model certificate.

Please note specific requirement for the certificate to be signed and dated the same day as loading.

EXPORTING COUNTRY

Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland, and Wales (i.e., Great Britain).

MINISTRY AND REGION

Please enter the devolved administration in whose region you are certifying the animal(s). Enter as 'Wales' 'Scotland' or 'England'.

NUMBER OF ANIMALS

Please also add the numerical value in numbers in brackets, following the words.

PLACE OF LOADING

In the case of traveling by plane, write "name of the airport." In case of traveling by sea, write "name of the port." In case of traveling by land, write "name of the establishment where the animals are loaded onto means of transport."

HEALTH INFORMATION

b. This requirement means that the premises of export must be a BALAI approved premises under veterinary supervision of the authorised veterinarian.

Disclaimer: This certificate is provided based on information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA (Animal and Plant Health Agency) Centre for International Trade, in Carlisle, via the link below.
