

EMPLOYMENT TRIBUNALS

Claimant: Mrs M Itulu

Respondent: London Fire Commissioner

JUDGMENT

The claimant's application dated **5/2/2021** for reconsideration of the judgment dated **5/11/2020** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the claimant is seeking to relitigate her claims with the knowledge of the Tribunal's findings of fact. The claimant does not agree with the Tribunal's findings, but they were reached unanimously and after a fair hearing. The reconsideration has been pre-empted by the claimant's appeal in any event.
