

EMPLOYMENT TRIBUNALS

Claimant: Mr M. Ismail

Respondent: GLL

JUDGMENT

The claim is struck out.

REASONS

1. The parties applied for a postponement on 22 September 2021, in order to settle the case. This was granted by the Regional Employment Judge the same day.
2. Because no further correspondence was received from either party, by letter dated 15 January 2022, I ordered that the parties write to the Tribunal by no later than 24 January 2022, stating whether the case has settled.
3. Neither party replied. I can only assume that the case has settled and/or is no longer pursued. It is therefore struck out.
