## Notes

This information is for UK conformity assessment bodies (CABs). Businesses looking for a conformity assessment body should check the [UK Market Conformity Assessment Bodies \(UKMCAB\) database](#).

This document lists product categories covered by UK registered Approved Bodies<sup>1,2</sup>. Some product categories currently lack sufficient coverage by UK registered Approved Bodies. This list is intended to help Conformity Assessment Bodies (CABs) consider expanding to fill these gaps in the UK market.

This document has last been updated on 17 February 2022. As a result, there may be some changes in CAB coverage for a given product category that are not yet reflected in this document. The most up-to-date listing of CABs can be found in the [UK Market Conformity Assessment Bodies \(UKMCAB\) database](#).

The following areas are not covered in this document:

- Construction products
- Marine equipment
- Medical devices
- Railway interoperability
- Transportable pressure equipment
