

EMPLOYMENT TRIBUNALS

Claimant: Miss G Concannon

Respondent: South Central Ambulance Service NHS Foundation Trust

JUDGMENT ON APPLICATION FOR RECONSIDERATION

The Claimant's application of 23 May 2022 for reconsideration of the judgment dated 9 May 2022 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked, because the Claimant has not identified any arguments or evidence which she did not have a full and proper opportunity to place before the Tribunal at the Preliminary Hearing on 10 March 2022.
2. Furthermore in considering the balance of prejudice and hardship the Tribunal took full account of the matters referred to in the application, namely the fact that the Claimant was unrepresented and the evidence given by the Claimant about the legal advice she had received.
