Did the union hold any ballots in respect of industrial action during the return period?
If Yes How many ballots were held:
For each ballot held please complete the information below:
Ballot 1
Number of individual who were entitled to vote in the ballot
Number of votes cast in the ballot
Number of Individuals answering "Yes" to the question
Number of individuals answering "No" to the question
Number of invalid or otherwise spoiled voting papers returned 3
1-3 should total "Number of votes cas
Were the number of votes cast in the ballot at least 50% of the number of individuals
who were entitled to vote in the ballot
Does section 226(2B) of the 1992 Act apply in relation to this ballot (see notes 76-80)?
If yes, were the number of individuals answering "Yes" to the question (or each question) at least 40% of the number of individuals who were
entitled to vote in the ballot
Ballot 2
Number of individual who were entitled to vote in the ballot
Number of votes cast in the ballot
Number of Individuals answering "Yes" to the question
Number of individuals answering "No" to the question
Number of invalid or otherwise spoiled voting papers returned
1-3 should total "Number of votes cas
Were the number of votes cast in the ballot at least 50% of the number of individuals
who were entitled to vote in the ballot at least 50% of the number of individuals
Does section 226(2B) of the 1992 Act apply in relation to this ballot (see notes 76-80)?
If yes, were the number of individuals answering "Yes" to the question (or each question) at least 40% of the number of individuals who were entitled to vote in the ballot
Ballot 3 Number of individual who were entitled to vote in the ballot
Number of votes cast in the ballot
Number of Individuals answering "Yes" to the question
Number of individuals answering "No" to the question
Number of invalid or otherwise spoiled voting papers returned  3
1-3 should total "Number of votes cas
Were the number of votes cast in the ballot at least 50% of the number of individuals
who were entitled to vote in the ballot
Does section 226(2B) of the 1992 Act apply in relation to this ballot (see notes 76-80)?
If yes, were the number of individuals answering "Yes" to the question (or each question) at least 40% of the number of individuals who were
entitled to vote in the ballot

Elected Member

Karen Dickson

#### Structure

The Scottish Secondary Teachers' Association is a trade union governed by the Trade Union and Labour Relations (Consolidation) Act 1992 (amended 2016) and its constitution.

The objects of the Association are to advance education, particularly secondary education in Scotland.

#### Membership

Membership is open to all registered teachers engaged in post-primary education in Scotland.

### Finance Committee's responsibilities

The Finance Committee is responsible for preparing the report and accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The Finance Committee is responsible for preparing accounts for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus and deficit for that period. In preparing those accounts, the Finance Committee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare accounts on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Finance Committee is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association. It is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Finance Committee members and their responsibilities

#### Disclosure of information to auditors

Each person who was a member of the Finance Committee at the time this report was approved confirms that:

- so far as each member is aware, there is no relevant audit information of which the Association's auditor is unaware; and
- each member has taken all steps that they ought to have taken in order to make themselves aware of any relevant audit information and to establish that the Association's auditor is aware of that information.

#### **Auditors**

A resolution to reappoint Anderson Anderson & Brown Audit LLP as auditors will be put to members at the Annual Congress.

This report was approved by the Finance Committee on

E ( NIWI

Catherine Nicol President

Date 11 June 2022

# SCOTTISH SECONDARY TEACHERS' ASSOCIATION Report of the Finance Committee

Once again, 2021 was a year as the consequences of the Covid-19 pandemic continued to impact on the Association in particular being able to meet face to face with Students in Initial Teacher Education and newly qualified teaches entering the profession. This impacts on our ability to recruit new members to the Association. However, the Association finished 2021 with a surplus of approximately £63,500.

Overall income decreased by 2.09% and in particular, income from subscriptions decreased by 1.64%. This is return to the pattern of previous years which have noted a slight but steady decline in income. The decrease in subscription income is accounted for by the slight decrease in membership. Maintaining and increasing membership is key to the long term stability of the Association and its finances. Once again, we are indebted to our active members and School Reps who work tirelessly to ensure that we are known presence in Secondary Schools the length and breadth of the country. This first contact, and it is usually positive, and continues to be challenging with the remote working for most teaching staff in the initial part of 2021. Our District Secretaries and School Reps have a great impact on our ability to recruit new members and provide a crucial and positive impression of the SSTA. The lack of face to face contact has had an impact on our work towards retaining associate members as full members; this continues to be our challenge to ensure the future of our association which is unique in its sole dedication to the Secondary Sector of Education in Scotland. Once again, we are grateful for the hard work and dedication of School and District Representatives, for their continued efforts in encouraging student teachers and new entrants to the profession to take up or continue membership of the Association. This hard work and warm welcome both in schools and at Head Office is the signature of the Association across the country.

Overall expenditure in 2021 increased by £10,397 (0.1%), largely due to the increase in audit and accountancy fees this year. This increase was minimised due to the lack of face to face meetings for Committees, Council and Executive. However, we did manage to hold our Annual Congress albeit a hybrid meeting. Overall our running costs came in under budget, although a few individual items of expenditure were over budget. Our thanks go to Andrew Brown, Office Manager and his staff for their part in managing the budget. As in previous years, Salaries remain the highest individual budget heading within the budget. However, although significant, this enables the Association to support our members to the highest standard.

The portfolio started the year with a value of £929,864. From then onwards our investment portfolio continued to reflect the general trend of the Stock Exchange overcoming the significant slump at the start of the pandemic the previous year. A steady rise over the course of 2021 meant that the fund finished the year with a value of £1,026,446, and impressive increase of over £96,000 (9.4%) from the January 1st figure. Income from the share portfolio amounted to £22.599 which again down on previous years, this time by 15.1% on 2020 but still above the target income of £20,000. The Association continues to meet regularly, albeit virtually, with our Investment Advisors to ensure that our investment portfolio and resulting income is as profitable as the Stock Market allows. The Finance Committee, on behalf of the Association extends our thanks to Barclays Wealth for their work on our behalf.

The Finance & General Purposes Committee agreed that expenditure was likely to return to prepandemic levels as, hopefully, life within the Association begins to return to normal. This along with the increasing costs in day to day expenses in particular energy costs has meant that the annual subscription should be set at £177.65. The Finance & General Purposes Committee set a tight budget for 2022 which they acknowledged might result in a small deficit next year.

My thanks and appreciation for their help and advice go to the Secretariat, Office Staff, Finance Committee, Area/District Treasurers, Tindell Grant & Co and our Auditors, Anderson Anderson & Brown Audit LLP.

Elaine Henderson General Treasurer

Date 11 June 2022

Elaine Phenderson

Seamus Searson General Secretary

Seams Lein

#### Independent auditors' report

#### to the members of SCOTTISH SECONDARY TEACHERS' ASSOCIATION

#### Opinion

We have audited the financial statements of the Sciottish Secondary Teachers Association for the year ended 31 December 2021 which comprise the statement of income and expenditure, the balance sheet and notes to the financial statements, including a summary of accounting policies. the financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the association's affairs as at 31 December 2021 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993.

#### Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the organisation in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Finance Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Finance Committee have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The Finance Committee is responsible for the other information. The other information comprises the information in the Report of the Finance Committee, but does not include the financial statements and our Report of the Auditors thereon. Our Report of the Auditors does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Opinion on other matters prescribed by the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993

In our opinion, based on the work undertaken in the course of the audit:

- The Association has kept proper accounting records in accordance with the requirements of Section 28 of the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 and has maintained a satisfactory system of control over its transactions in accordance with the requirements of that section; and
- the financial statements agree with the accounting records.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require us to report to you if, in our opinion:

- Proper books of account have not been kept by the Union in accordance with the requirements of the legislation;
- A satisfactory system of control over transactions has not been maintained by the Union in accordance with the requirements of the legislation
- the statement of income and expenditure to which our report relates, and the balance sheet are not in agreement with the books of account of the union; and
- . We have not obtained all the information and explanations necessary for the purposes of our audit.

#### Responsibilities of the Finance Committee

As more fully explained in the Finance Committee's responsibilities statement, the Finance Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Finance Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Finance Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Finance Committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### Extent to which the audit is capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations – this responsibility lies with management with the oversight of the Finance Committee. Based on our understanding of the Association and industry, discussions with management and directors we identified financial reporting standards as having a direct effect on the amounts and disclosures in the financial statements. As part of the engagement team discussion about how and where the Association's financial statements may be materially misstated due to fraud, we did not identify any areas with an increased risk of fraud.

Our audit procedures included:

- •completing a risk-assessment process during our planning for this audit that specifically considered the risk of fraud:
- •enquiry of management about the Association's policies, procedures and related controls regarding compliance with laws and regulations and if there are any known instances of non-compliance;
- •examining supporting documents for all material balances, transactions and disclosures;
- •review, where applicable, of the Finance Committees' minutes;
- •enquiry of management, about litigations and claims and inspection of relevant correspondence
- •analytical procedures to identify any unusual or unexpected relationships:
- •specific audit testing on and review of areas that could be subject to management override of controls and potential bias, most notably around the key judgements and estimates, including the carrying value of fixed assets and accruals;
- •considering management override of controls outside of the normal operating cycles including testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements including evaluating the business rationale of significant transactions, outside the normal course of business;

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements of the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The potential effects of inherent limitations are particularly significant in the case of misstatement resulting from fraud because fraud may involve sophisticated and carefully organised schemes designed to conceal it, including deliberate failure to record transactions, collusion or intentional misrepresentations being made to us.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/audit responsibilities. This description forms part of our Report of the Auditors.

#### Use of our report

This report is made solely to the Association's Finance Committee, as a body, in accordance with Chapter 3 Section 33 of the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the organisation and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

The Finance Committee has taken advantage of special exemptions conferred by FRS102 Section 1A applicable to small companies in the preparation of the financial statements and have done so on the grounds that, in their opinion, the Association qualifies as a small reporting entity.

Approved by the Finance Committee on 11 June 2022

Elected member

#### 1 Accounting policies

#### Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom Accounting Standards, including Financial Reporting Standard 102 Section 1A – The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102). The format of the financial statements has been adapted from that prescribed by the Companies Act 2006 to better reflect the nature of the Association's activities.

#### **Accounting Convention**

The accounts have been prepared under the historical cost convention.

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

#### Tangible Fixed Assets

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives:

Buildings	2% straight line
Office Equipment	15% straight line
Computers	25% straight line

#### Stock

Stock is stated at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

#### Cash

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

#### Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the Association anticipates it will pay to settle the debt.

#### Investments

Quoted investments are stated at market value. Movements in market value are included in the income and expenditure account.

#### **Taxation**

A current liability is recognised for the tax payable on investment interest received and chargeable events from investment disposals.

#### Leased assets

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. All other leases are classified as operating leases. The rights of use and obligations under finance leases are initially recognised as assets and liabilities at amounts equal to the fair value of the leased assets or, if lower, the present value of the minimum lease payments. Minimum lease payments are apportioned between the finance charge and the reduction in the outstanding liability using the effective interest rate method. The finance charge is allocated to each period during the lease so as to produce a constant periodic rate of interest on the remaining balance of the liability. Leased assets are depreciated in accordance with the company's policy for tangible fixed assets. If there is no reasonable certainty that ownership will be obtained at the end of the lease term, the asset is depreciated over the lower of the lease term and its useful life. Operating lease payments are recognised as an expense on a straight line basis over the lease term.

#### Pensions

3

The association operates a defined contribution pension scheme. Contributions are included in the financial statements as they become payable.

#### 2 Salaries of officials

Included in staff costs and pensions are:

		Gross salary £	Employer's NI £	Employer's pension £	2021 £	2020 £

#### Membership audit certificate

# made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

#### No

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

# Membership audit certificate Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

1 In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

#### Yes / No

2 In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

#### Yes / No

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- (c) state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.
