# JUDGMENT

The claim for unfair dismissal is not well founded and is dismissed

The Respondent made an unauthorised deduction of wages for the period between March and May 2020 and is ordered to pay the Claimant the sum of £616 from which she is to pay tax and NI.

The Respondent made an unauthorised deduction from wages for failing to pay the Claimant in lieu of payment of accrued but untaken holiday pay for the last leave year. This has been paid in full by the Respondent and I make no order in this regard.

All other claims for compensation are dismissed.
