Undertakings given by Parker-Hannifin Corporation to the Secretary of State pursuant to paragraph 3 of Schedule 7 of the Enterprise Act 2002

Please note that [X] indicates figures or text which have been deleted for reasons of commercial confidentiality.

Whereas:

- (a) On 2 August 2021 Parker-Hannifin Corporation (**Parker**) announced a public offer to acquire the entire share capital of Meggitt PLC (**Meggitt**) (the **Transaction**) such that Parker and Meggitt (together, the **Parties**), upon completion of the Transaction, will cease to be distinct for the purposes of the Enterprise Act 2002 (the **Act**);
- (b) On 18 October 2021 the Secretary of State issued a Public Interest Intervention Notice (**PIIN**) pursuant to section 42(2) of the Act and asked the Competition and Markets Authority (**CMA**) to report to the Secretary of State by 18 March 2022 pursuant to section 44 of the Act, i.e., including a decision as to whether the CMA believes that the Transaction may be expected to result in a substantial lessening of competition and whether it would be appropriate to deal with the matter by way of undertakings in lieu of a reference to a Phase 2 investigation;
- (c) On 18 March 2022 the CMA submitted its report to the Secretary of State pursuant to section 44 of the Act. The CMA's report concluded that the Transaction may be expected to result in a substantial lessening of competition in the supply of wheels and brakes to fixed wing aircraft within the Overlap Window, including general aviation aircraft, business jets and military aircraft, as well as to civil and military rotorcraft;
- (d) Under section 45(4) of the Act the Secretary of State has the power to refer a relevant merger situation for a Phase 2 investigation where he believes that it is or may be the case that arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation and the creation of that situation may be expected to result in a substantial lessening of competition within any market or markets in the UK for goods or services and the relevant merger situation may be expected to operate against the public interest;

- (e) Under paragraph 3 of Schedule 7 of the Act the Secretary of State may, instead of making such a reference and for the purpose of remedying, mitigating or preventing any of the effects adverse to public interest (including the substantial lessening of competition concerned or any adverse effect which has or may have resulted from it or may be expected to result from it), accept undertakings to take such action as he considers appropriate, from such of the parties concerned as he considers appropriate;
- (f) On 8 April 2022 the Secretary of State requested the CMA pursuant to section 93 of the Act to carry out consultations with the Parties on whether they would be willing to offer undertakings which the Secretary of State would be prepared to accept under paragraph 3 of Schedule 7 of the Act. The Secretary of State requested the CMA to provide a report to the Secretary of State on the outcome of the CMA's consultations, including advice on whether any undertakings offered should be accepted by the Secretary of State;
- (g) The CMA, and the Secretary of State, consider that the undertakings given below by Parker would be appropriate to remedy, mitigate or prevent the substantial lessening of competition, or any adverse effect which has or may have resulted from, or may be expected to result from it; and
- (h) Prior to the acceptance of these undertakings by the Secretary of State, Parker will enter into a legally binding agreement to divest the Divestment Business as a going concern to a Purchaser on terms to be approved by the Secretary of State. This agreement will be conditional only on Secretary of State acceptance of these undertakings, completion of the Transaction, required approvals or clearances from the United States of America, and the Italian Foreign Direct Investment Authority, as well as approval of the Purchaser by the European Commission, and the Secretary of State. This agreement will include a warranty that the Purchaser has the financial resources, expertise (including the managerial, operational and technical capability), incentive and intention to maintain and operate the Divestment Business as part of a viable and active business in competition with Parker and other competitors.

NOW THEREFORE Parker hereby gives to the Secretary of State the following undertakings for the purpose of remedying, mitigating or preventing the substantial lessening of competition, or any adverse effect which has or may have resulted from it or may be expected to result from it.

1 EFFECTIVE DATE OF THE UNDERTAKINGS

- 1.1 These undertakings shall take effect from the date that, having been signed by Parker, they are accepted by the Secretary of State.

2 DIVESTMENT OF THE DIVESTMENT BUSINESS

- 2.1 Parker shall ensure that the completion of the divestment of the Divestment Business to the Purchaser contemplated by the agreement referred to in recital (h) of these undertakings takes place within a period not exceeding three months from the date the Secretary of State has approved the Purchaser and the terms of sale.
- 2.2 Parker shall use all reasonable endeavours to ensure the transfer of Key Personnel with the divestment of the Divestment Business.
- 2.3 In the event that Parker fails to complete the divestment of the Divestment Business in accordance with paragraphs 2.1 and 2.2 above, the Secretary of State may, whether or not initiating the Trustee Functions as set out in paragraph 4 below, require Parker to divest the Divestment Business as a going concern at no minimum price to a purchaser or purchasers approved by the Secretary of State.

3 APPROVAL OF PURCHASER AND TERMS OF DIVESTMENT

- 3.1 For the purposes of the Secretary of State approving a Purchaser and the terms of the divestment of the Divestment Business in accordance with these undertakings, Parker shall, save as required or permitted by the Secretary of State, satisfy the Secretary of State that:
- (a) the acquisition by the Purchaser of the Divestment Business, on the terms set out above, remedies, mitigates or prevents the substantial lessening of competition concerned or any adverse effect which may be expected to result from it, in particular having regard to the need to achieve as comprehensive a solution as is reasonable and practicable to the substantial lessening of competition and any adverse effects resulting from it;
 - (b) the Purchaser is independent of and unconnected to Parker and the Group of Interconnected Bodies Corporate to which Parker belongs and any Associated Person or Affiliate of Parker or such Group of Interconnected Bodies Corporate;

- (d) the Purchaser is reasonably to be expected to obtain all necessary approvals, licences and consents from any regulatory or other authority; and
- (e) the acquisition by the Purchaser of the Divestment Business does not create a realistic prospect of a substantial lessening of competition within any market or markets in the UK.

3.2 The Secretary of State may require Parker to provide him with such information and documentation as he may reasonably require to satisfy the Secretary of State that the Purchaser will fulfil the requirements in paragraph 3.1 above.

4 APPOINTMENT OF A TRUSTEE

Parker shall use its best endeavours to make such appointment within 5 Working Days of receiving the nominations from the Secretary of State.

4.6 The appointment of the Trustee pursuant to paragraph 4.4 or paragraph 4.5 above shall be irrevocable unless:

- (b) the Trustee ceases to perform the Trustee Functions; or

- (c) the Secretary of State is otherwise satisfied that there is good cause for the appointment to be terminated in advance of the satisfactory fulfilment of the Trustee Functions.

4.7 In the event that the appointment of the Trustee is terminated in accordance with paragraph 4.6 above, Parker shall, if requested to do so in writing by the Secretary of State, use its best endeavours to appoint from persons nominated by the Secretary of State one person to carry out the Trustee Functions in accordance with such mandate as is approved by the Secretary of State. Parker shall use its best endeavours to make such appointment within seven Working Days of receiving the nominations from the Secretary of State. Where required by the Secretary of State, the outgoing Trustee shall continue as Trustee until a new Trustee is in place and a full handover of all relevant information has taken place.
