Under FOI can you please provide to me electronic copies of all emails, correspondence and meeting minutes between Homes England and

- 1. Department for Levelling Up Housing and Communities or*

Response

We can inform you that we do hold the information that you have requested. However, to comply with your request would exceed the appropriate limit for the cost of compliance. We therefore rely on section 12, exemption where the cost of compliance exceeds the appropriate limit under the FOIA.

The full text of the legislation can be found on the following link and we have quoted section 12 below for ease.

Section 12 - Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

(2) Subsection (1) does not exempt the public authority from its obligation to comply with paragraph (a) of section 1(1) unless the estimated cost of complying with that paragraph alone would exceed the appropriate limit.

(3) In subsections (1) and (2) "the appropriate limit" means such amount as may be prescribed, and different amounts may be prescribed in relation to different cases.

(4) The Minister for the Cabinet Office may by regulations provide that, in such circumstances as may be prescribed, where two or more requests for information are made to a public authority:

(a) by one person, or

(b) by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign, the estimated cost of complying with any of the requests is to be taken to be the estimated total cost of complying with all of them.

(5) The Minister for the Cabinet Office may by regulations make provision for the purposes of this section as to the costs to be estimated and as to the manner in which they are to be estimated.

We have considered the current wording of your request and in its current scope we have determined that to establish where all elements of the information is held, to locate the information, retrieving the information and extracting the information would exceed the appropriate limit in terms of timeframes.

Under the terms of the Act we are not obliged to provide any information compiled in the course of our searches prior to concluding section 12 is engaged.

Advice and Assistance

In compliance with the Section 45 Code of Practice (Paragraph 2.10) and to offer advice and assistance under section 16 of the Freedom of Information Act 2000, you may wish to consider narrowing the scope of your request.

We can advise that the cost limit is particularly reached due to the request for information across a large time period, between *1st September 2020 and the date of this FOI request* (being 1 July 2022). We hold several documents across multiple internal systems where we would need to locate, retrieve, and extract the required information including conducting searches of individual inboxes and other locations of conversations. Once all the information is located and accumulated it will then need to go through a review process to provide the specific information that has been requested. At this stage it was determined that to comply with your request would exceed the appropriate limit for compliance.

You could refine your request to be under the cost limit by specifying a smaller time period for which the information is held for example between 1st January 2021 – 1st June 2021 only. Your request can be further refined by asking for emails, correspondence, and meeting minutes between Homes England and only one other party detailed in your request.

However, please note that due to the broad scope of your request we cannot confirm that any further request would not also exceed the section 12 cost limit at this time.
