

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr B Jha

**Respondent:** University Hospitals Sussex NHS Foundation Trust

## JUDGMENT

The claim is struck out.

## REASONS

1. A Notice of Hearing, listing this preliminary hearing was sent to the parties on 4/4/2022.
2. In preparation for that, Mr Conlan sent the claimant a case management agenda on 1/7/2022.
3. Mr Conlan had no response to that correspondence.
4. The claimant did not attend the hearing, despite the clerk attempting to contact him by telephone and email.
5. The last correspondence the Tribunal had received from the claimant was on 25/7/2021.
6. The Tribunal decided to strike out the claimant as the claim has not been actively pursued.
7. The hearing listed for 3/10/2022 to 5/10/2022 is vacated and it will not now take place.
