Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINSI am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.<BR> <BR>My name is [ Ruth Banks & Michael John Banks I live at [REDACTED] ].<Ruth& Michael John Banks The reason for my objection is as follows:That is really fertile farm land So should obviously be used for food production as there is not enough food grown in the UK for a rising population and all the immigrants and refugees coming into the UK every day. Solar panels should be on every new house .  
Not on good farm land
