I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Brenda Broadbent ]  
[REDACTED]

The reasons for my objection are as follows:

The size of the development is simply too big (and the land not flat enough to be suitable for a solar farm!).

The cumulative effect of the solar farm and adjacent industrial battery storage facility is unacceptable.

There is no need to use high quality Agricultural Land for this sort of development.
