I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Melanie Adams
[REDACTED]

The reason for my objection are as follows:

The size of the development is ridiculously large. Uttlesford Policy ENV15 says that SMALL scale renewable energy development schemes TO MEET LOCAL NEEDS will be supported IF they do not adversely affect the character of sensitive landscapes, nature conservation interests or residential amenity.

This proposed development fails to meet any of those criteria. It will also decimate 177 acres of productive farm land.

Yours sincerely,
Melanie Adams
