You can apply in 5 easy steps

Depending on your circumstances you may not need to complete all of the steps.

1

For all students

- Complete sections 2-6.
- You do not need to complete section 6 if you are **only** applying for a Tuition Fee Loan.
- If you are applying for a Maintenance Loan, Special Support Loan and/or a Tuition Fee Loan you need to tell us how much you want by completing the loan request section on pages 23 and 24.

If you **only** want to apply for a Tuition Fee Loan and/or a Maintenance Loan that is not based on household income you can go to **Step 5**.

2

For students who want student finance based on household income

- Complete sections 7 and 8.
- If you want to apply for a Special Support Loan complete section 9.
- If you're aged 60 or over on the first day of the first academic year of your course and are applying for student finance based on your household income, you'll be assessed for a Special Support Loan instead of a Maintenance Loan. You do not need to complete section 9.

3

For students who have dependants

- Complete section 10.
- You should complete this section if you have any children or adult dependants and want to apply for financial help in relation to them.

If you are a single independent student go directly to **Step 5**.

4

For students who want student finance based on household income

- Complete section 11.
- Depending on your answers in section 11 you may need to ask your **parent(s) or partner** to provide details about their income in section 12 so we can work out what your full entitlement to student finance will be.

5

For all students

- Make sure that you have signed the **terms and conditions on pages 32 and 33**. **Your application may be delayed if the terms and conditions are not signed.**
- If you asked someone to complete section 12, **make sure that they have signed their declaration(s) on page 42.**

Where you see this you should check the notes for specific **information** to help you complete a question or section.

Where you see this you need to send us **evidence** to support your application. Use the notes to find out exactly what you need to send.

Before completing this form, you should read the Privacy Notice on page 20 of the accompanying notes. You may be eligible for a bursary or scholarship. Section 12

Financial details for tax year 2020-21 for parents and partners

Who needs to complete this section?

Section 11 of this form tells you who needs to complete this section.

What details do I need to provide in this section?

You need to tell us some personal details and what your financial income was for tax year 2020-21. You must tell us your 2020-21 income details as we cannot accept amounts from any other tax year. We need your income amounts so we can work out what the student(s) you are supporting is entitled to.

About this section

Section 12 is split into six parts:

Part A - Tell us your name and address and some other personal information.

Part B - Tell us your National Insurance number.

Parts C and D - Answer every question.

Part E - Answer every question and tell us about any income deductions for tax year 2020-21 where appropriate.

Part F - Tell us about any children who are financially dependent on you.

How to complete this section

If you are a single parent of the student

Enter your information as Person 1, leave Person 2 blank.

If there are two parents in the student's household

Complete this section with information for both Person 1 and Person 2.

If you are an independent student with a partner

Your partner needs to enter their information as Person 1, leave Person 2 blank.

If you're self assessed – read page 21 of the notes for more information. 

If you're not self assessed – you can use your P60 to complete this section.

What happens if my household income has dropped since tax year 2020-21?

If your household income will be **at least** 15% less than it was in tax year 2020-21 you can apply for a Current Year Income (CYI) assessment.

This means we would use your expected income for tax year 2022-23 instead of your actual income from tax year 2020-21 when calculating the student's entitlement. However, there must be at least a 15% drop in the **overall household income** (not just your own income) between these two tax years for us to do this and we will ask for evidence of your 2022-23 income at the end of that tax year.

Before completing this form, you should read the Privacy Notice on page 26 of the accompanying notes.

The student may be eligible for a bursary or scholarship. In order for a university or college to determine and pay any bursary or scholarship to which the student(s) you are supporting may be entitled, we will share some of your personal and financial details with them. For more information about this, read our Privacy Notice.
