Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Megan Sumpster
[REDACTED]

The reason for my objection is as follows:

- the destruction is prime arable farmland, much needed to grow food, in particular, wheat, which is in short supply following the conflict in Ukraine
- the destruction of soil nutrients
- the destruction of animal habitats
- the destruction of beautiful countryside which gives local residents and visitors enormous happiness and relief and exercise opportunities

Please do not allow such an enormous area of countryside to be ruined forever.

Regards

Megan
