### Introductory note

#### **This introductory note does not form a part of the notice.**

The following notice gives notice of the surrender in part and variation of an environmental permit.

This notice varies the permit to remove the standard rules set SR2008 No13 '75kte, for non-hazardous and hazardous household waste site and the associated land. The site name has been changed to remove reference to the household waste facility. There are no other changes to the permit.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
