Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Miss Ava Taylor

[REDACTED]]

The reason for my objection is as follows:

- This is not a “small scale” scheme.
- The area covered by solar panels is even larger than the area which was contemplated at the time of the application to Uttlesford District Council for a Screening Opinion.
- The land identified by Statera as the site for Berden Hall solar Farm extends to 177 acres of productive farm land.
- The visual impact of such a huge solar farm would fundamentally change the character of the area.
