Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Luca Taylor
[REDACTED]

The reason for my objection is as follows:

- I do not understand how a massive solar farm which is an industrial development can possibly enhance the natural environment.
- The site is very close to the numerous listed buildings and scheduled monuments I do not accept that it can possibly enhance the historic environment.
- The development is not compatible with Uttlesford's policy S7 which says that the countryside will be protected for its own sake
- The land will not remain in agricultural use
