Subject: Berden Hall Farm (Pelham Solar)

Dear Sir,

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Amanda Doran
[REDACTED]

The reasons for my objection are as follows:

I am very concerned about the noise pollution created by both lorries and cooling equipment in particular, exacerbated significantly by the large scale of the proposed plans.

I object to the unnecessary and damaging impact on the loss of agricultural land for future food security. Solar panels do not require good quality agricultural land.

I object to the loss of public footpaths, uninterrupted countryside views and cohesive countryside environment.

Yours faithfully

Amanda Doran
