Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Pamela Brooks

I am purchasing a property on [REDACTED]

The reason for my objection is as follows:

The proposed solar farm at Berden Hall extends to 177 acres of productive farmland. This proposal is utterly outrageous and should be refused. The countryside should be used to provide food for the nation.

The sloping nature of the site means this eyesore will be impossible to hide.

This 'farm' will adversely affect local footpaths, who wants to walk among solar panels? It will industrialise a beautiful rural area and is totally inappropriate.

The local roads are utterly unsuitable for such large construction vehicles and will add to the noise and filthy air pervading much of once beautiful Hertfordshire.
