Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.
This is prime agricultural growing land at a time when we need to be able to feed ourselves as opposed to importing food incurring excess carbon emissions.
Is the industrialisation of our green countryside
Reduces the natural habitat for flora and fauna

My name is Paul Cole
