Dear ██████████

RE: Request for Information – RFI3984

Thank you for your request for information which was processed in accordance with the Freedom of Information Act 2000 (FOIA).

You requested the following information:

Can you please provide me with a breakdown of Highways England expenditure with construction companies for the last financial year (2021/22)? Can you please do this in a format that also lists the top 20 contractors in that year? (Can you please also include joint ventures within the total?)

We asked for clarification regarding your request and you advised as follows:

My apologies for the typo in my email, I did indeed mean Homes England.

You are correct that the second question is a reinterpretation of the first, I was just requesting that the breakdown is provided in the order of the top 20 companies as I felt the term 'breakdown' may be open to interpretation.

Response

We can confirm that we do hold the requested information. Please find enclosed Annex A which contains the data requested for the last financial year 2021-2022.

Right to Appeal

If you are not happy with the information that has been provided or the way in which your request has been handled, you may request an internal review. You can request an internal review by writing to Homes England via the details below, quoting the reference number at the top of this letter.
