*I am asking about ALL new homes built in 2021 that had rain water recovery and solar panels included in the build.*

**Response**

We can confirm that Homes England does not hold the information detailed in your request. This is because there is no legal or business reason for Homes England to do so.

**Advice and Assistance**

We have a duty to provide advice and assistance in accordance with Section 16 of the FOIA. To comply with this duty we are able to confirm that Homes England are not involved directly in the construction of new homes, rather we provide funding to third parties (developers) and unlock land to partners, who then may go on to build homes with our support. We do not collect information from our partners as to rain water recovery/solar panels on homes built with Homes England assistance.
