

EMPLOYMENT TRIBUNALS

Claimant: Mr N England
Respondent: Western Power Distribution Plc

JUDGMENT

The complaint of **Unfair Dismissal** is struck out.

REASONS

1. By a letter dated 29th of July 2022 the Tribunal gave the claimant an opportunity to pay a deposit of £1000 to continue their complaint of Unfair Dismissal. The claimant was informed that if they failed to pay this amount their complaint of Unfair Dismissal would be struck out because it has little reasonable prospects of success.
2. The claimant has failed to pay the deposit. The complaint of Unfair Dismissal is therefore struck out.
