Dear Sir,

Re application made by Countryside for 130 homes off Henham road. Elsenham.

I strongly OBJECT to this planning Application on the following grounds.

1. The proposed site is in close proximity to many Heritage Assets.
2. Elsenham has already suffered over-development. Approval for more additional sites with our village has already been granted. This will destroy one of the very few sites left within Elsenham.
3. It is in the Stansted Airport Protection Zone and will be greatly affected by Aircraft noise.
4. The existing roads cannot manage the existing developments, much less accommodate more.

I am a resident of the village of Elsenham and have lived here for in excess of 75 years. No improvement whatsoever has been made to the existing road network. We just cannot manage any more vehicular movement.

Mr. Ray Franklin, [REDACTED]
