Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is [Jean Bishop]
I live at [[REDACTED]].

The reason for my objection is as follows:

1. Grade 11 and grade 3A are arable land.
At this present time we need more space to grow not take it away.
- 2.the loss of wild life and fauna.
- 3.offshore wind turbine can generate as much power as the berden hall solar farm .
4. The inconvenience on many people's lives with increase pollution and traffic on the roads.
5. This is an industrial development with no place in our village.
