Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Lynn Law
[REDACTED]

The reason for my objection is as follows:

This is not a small scale proposal and productive farm land will be lost.
I am a keen walker and the visual impact to the countryside along Ginns Rd will be devastating. The footpaths will be bordered by panels and fencing.
As locals we will not benefit from proposal. With the construction of the site more lorries will be using our local roads which are not able to sustain the
