Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Lucy Carr

I live in Albury

The reason for my objection is :

1, This is inappropriate use of good quality agricultural land, especially at a time where the UK needs to increase it's independent food production.

2, This is out of keeping with the rural nature of the proposed location.

3, Brown field sites should surely be a priority when considering such developments. Not prime agricultural/rural land.

4, My daughter frequently rides around this area. Her enjoyment of the beautiful countryside would be ruined.

5, There would surely be an impact on the local wildlife as their habitat by building such a vast construction.

Yours sincerely,

Lucy Carr
