Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

We are writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

Our names are Rob and Jenny Dumbleton [REDACTED].

The reason for our objection is as follows:

The size of the development is too big for the surrounding area. The land identified is also productive farm land.

We are keen walkers and very much like our children to enjoy as much of the natural surroundings as possible.

I (Rob) cycle frequently down Ginns Road with the children in tow, with their views being impacted as a result of this development.

Please consider these objections.

Regards

Rob & Jenny
