Basis for opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the officers in the preparation of the financial statements, and whether the accounting policies are appropriate to the Staff Association's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the annual return.

Respective responsibilities of the Executive Committee and auditor

The Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require the officers of the Warwick International Staff Association to: keep proper accounting records which give a true and fair view of the state of affairs of the association and explain its transactions; establish and maintain a satisfactory system of control of the accounting records, cash holding and all the receipts and remittances; prepare an annual return for the Certification Officer giving a true and fair view of the revenue account and balance sheet and provide members of the Warwick International Staff Association with a statement of income and expenditure for the year. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland).

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the club's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Executive Committee; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Return to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.
