

# Oil used as fuel to produce energy for the treatment or production of oil

# Application for approval under Section 19A of the Hydrocarbon Oil Duties Act 1979

### Completing this form

You should use this form to apply for approval to claim partial repayment of the rebated rate of excise duty charged on oil used to fuel a power plant supplying between one sixth and one third of its total energy output for 'qualifying use'.

For an explanation of 'qualifying use' and the information we require, see section 1J of Notice 179 Motor and heating fuels. You can view a copy on our our website, go to www.gov.uk or phone the National Advice Service on 0845 010 9000 for a copy.

Please complete all the boxes, use capital letters and write clearly in black ink.

When you've completed and signed this form, send it to:

HM Revenue and Customs Excise Processing Team BX9 1GL

## **Details of applicant**

Full name of person, partnership or limited company

#### Address

In the case of a partnerstip or limited company, the registered office

Postcode		

I/we request approval for the purpose of claiming repayment of Hydrocarbon Oil Duty at the rebated rate on oil used as fuel to produce energy, a qualifying proportion of which is put to eligible use in an approved refinery or producer's premises. This is in accordance with the attached details which form part of this application.

I/we undertake to notify any changes to the details given, as and when they occur, to HM Revenue and Customs.
