IV. HEALTH INFORMATION

I, the undersigned official veterinarian, hereby certify that:

- (a) the samples were taken from the animals described at paragraph I. above, which are resident in the UK;
- (b) the animals were examined before and after blood sampling and found free of notifiable diseases to which the species is susceptible, including rabies;
- (c) I am in receipt of a written declaration from the exporter stating that:
 - i) the samples will be transported in a container with absorbent material that is tightly closed and leak-proof even in case of damage.
 - ii) the samples will be transported from the airport of arrival into Germany, directly to the final destination premises described at III (a) above;
- (d) the container has been sealed with an official seal bearing the number/mark prior to loading.

This certificate is valid for 10 days from the date of issue.
