### EXECUTIVE COMMITTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

The officers present their report and the financial statements for the year ended 31 December 2021.

#### Officers responsibilities statement

The officers are responsible for preparing the Executive Committees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the officers to prepare financial statements for each financial year. The officers have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The officers must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Union and of the profit or loss of the Union for that period.

In preparing these financial statements, the officers are required to:

- select suitable accounting policies for the Union's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Union will continue in business.

The officers are responsible for keeping adequate accounting records that are sufficient to show and explain the Union's transactions and disclose with reasonable accuracy at any time the financial position of the Union and to enable them to ensure that the financial statements comply with the applicable legislation. They are also responsible for safeguarding the assets of the Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Executive Committee

The officers who served during the year were:

I Rehman (Chair)  
M Muqit (General secretary)  
C Simo  
O Ogunyanwo

#### Disclosure of information to auditors

Each of the persons who are officers at the time when this Executive Committees' Report is approved has confirmed that:

- so far as the officers is aware, there is no relevant audit information of which the Union's auditors are unaware, and
- the officers has taken all the steps that ought to have been taken as a in order to be aware of any relevant audit information and to establish that the Union's auditors are aware of that information.

**EXECUTIVE COMMITTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**COVID-19**

During March 2020 the global pandemic COVID-19 outbreak has had a significant impact on the worldwide economy. The Executive Committee are aware with the lifting of COVID 19 restrictions across the UK the Executive Committee do not believe that COVID 19 restrictions will have any future periods (in the terms of member losses).

However, the Executive Committee note that the impact of the cost of living crisis could lead to lost members (like during the pandemic) or equally an increase in members as employees seek representation as the economy potentially restricts.

As such managements budgets and forecasts show a sensitised member number that has the same fall in numbers as incurred during the pandemic in 2021. At this level the entity remains cash positive and therefore its accounts have been prepared on a going concern basis.

**Auditors**

The auditors, Armstrong Watson Audit Limited, will be proposed for reappointment at the forthcoming Annual General Meeting.

**Union provisions**

In preparing this report, the Executive Committees have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

General Secretary

## EQUALITY FOR WORKERS UNION

### INDEPENDENT AUDITOR'S REPORT TO EQUALITY FOR WORKERS UNION

#### Opinion

We have audited the financial statements of Equality For Workers Union (the 'Union') for the year ended 31 December 2021, which comprise the Statement of Comprehensive Income, the Statement of Financial Position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2021 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Executive Committees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Executive Committee with respect to going concern are described in the relevant sections of this report.

### INDEPENDENT AUDITOR'S REPORT TO EQUALITY FOR WORKERS UNION (CONTINUED)

#### Other information

The Executive Committee are responsible for the other information. The other information comprises the information included in the Executive Committee's Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Executive Committees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Executive Committees' Report has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the Executive Committees' Report.

We have nothing to report in respect of the following matters to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Executive Committee' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Executive Committee were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Executive Committees' Report and from the requirement to prepare a Strategic Report.

#### Responsibilities of the Executive Committee

As explained more fully in the Executive Committees' Responsibilities Statement set out on page 1, the Executive Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

## EQUALITY FOR WORKERS UNION

### INDEPENDENT AUDITOR'S REPORT TO EQUALITY FOR WORKERS UNION (CONTINUED)

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations, such as the Health & Safety at Work Act 1974, Trade Union and Labour Relations (Consolidation) Act 1992 and Companies Act 2006;
- we identified the laws and regulations applicable to the union through discussions with officers;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the Union's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of the management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures as a risk assessment tool to identify any unusual or unexpected relationships; and
- tested journal entries to identify unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation; and
- enquiring of management as to actual and potential litigation and claims.

Due to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing fraud or non-compliance with laws and regulations and cannot be expected to detect all fraud and non-compliance with laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the Union's members in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members for our audit work, for this report, or for the opinions we have formed.

## EQUALITY FOR WORKERS UNION

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

#### 1. General information

The entity is a trade union registered in England and Wales. The union's registered number and registered office address can be found on the Union Information page.

These financial statements have been presented in Pound Sterling as this is the currency of the primary economic environment in which the union operates.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland.

The following principle accounting policies have been applied:

##### 2.2 Going concern

The Executive Committee have prepared the financial statements on a going concern basis. They have reached this conclusion with the lifting of COVID 19 restrictions across the UK the Executive Committee do not believe that COVID 19 restrictions will have any future periods (in the terms of member losses).

However, the Executive Committee note that the impact of the cost of living crisis could lead to lost members (like during the pandemic) or equally an increase in members as employees seek representation as the economy potentially restricts.

As such managements budgets and forecasts show a sensitised member number that has the same fall in numbers as incurred during the pandemic in 2021. At this level the entity remains cash positive and therefore its accounts have been prepared on a going concern basis.

##### 2.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Union and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

- the amount of revenue can be measured reliably;
- it is probable that the Union will receive the consideration due under the subscription.

Revenue from subscriptions is recognised in the period in which the subscription is due from the member.

##### 2.4 Pensions

###### Defined contribution pension plan

The Union operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Union pays fixed contributions into a separate entity. Once the contributions have been paid the Union has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Union in independently administered funds.

## EQUALITY FOR WORKERS UNION

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

#### 2. Accounting policies (continued)

##### 2.5 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Plant and machinery	-	33% straight line
Motor vehicles	-	33% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

##### 2.6 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

##### 2.7 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

##### 2.8 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

#### 3. Operating surplus/(deficit)

The operating surplus/(deficit) is stated after charging:

	2021	2020
	£	£
Depreciation	1,113	1,113

#### 4. Employees

The average monthly number of employees, including directors, during the year was 4 (2020 - 4).
