Dear Sir/Madam,

I write to object to the above proposed planning application in Elsenham.

The increased traffic on the roads has already hit a high level due to the overdevelopment in Elsenham. We spend more and more time in queues of traffic on the roads leading out of the village.

It is extremely sad that the increased housing has already had a huge impact on our countryside and we are increasingly seeing a huge amount of wildlife lying dead on our roads due to the pure volume of traffic.

This proposed development is on the last green space in the village, located at the historic heart of Elsenham Cross. The over-development of Elsenham already has planning approval to more than double in size since 2011.

Please, please consider the lives and well-being of us who have lived in the area and called this part of Essex our home.

Kind regards,  
Dean and Dianne King
