Dear Sirs

Section 62A Planning Application S62A/22/0007

LAND TO THE SOUTH OF NIENHAM RD, ELSENHAM, ESSEX

I wish to object strongly the proposal to build on pasture land in the centre of this village as detailed in the above application.

I have lived in [REDACTED] for over fifty years and during that time much of the land surrounding the village has been built on, apart from the playing field. This latest proposal will result in the loss of one of the last remaining open spaces, an attractive meadow.

Elsenham has been the site of much development over the last 50 or 60 years with no improvement in the road network and the congestion increases. Please leave us this remaining open space in the heart of the village.

yours truly

[REDACTED]
DAVID VERLAWDER
