Dear Sir Madame

I am writing to lodge my objection to S62A/22/0007 : Land to the south of Henham Road, Elsenham, Essex.

Having lived in [REDACTED] for the last 9 years the over development of neighbouring Elsenham is having a negative impact on Elsenham and the surrounding area.

The roads are so much busier and the level traffic not sustainable - Grove Hill in Stansted in particular cannot cope with the traffic.

The countryside and green is literally being swallowed up - so negative for the environment and those who have chosen to live in the countryside at a premium.

It is my belief that Elsenham has already doubled in size since just 2011...why is this allowed? A village becomes a town that is now sprawling, it needs to stop.

Yours sincerely

Gemma Scott
