I.26 Not in use	I.27 <input type="checkbox"/> For import or admission into Great Britain	
I.28 Identification of the commodities		
Species (Scientific name)		Quantity

Part II. Certification

Animal health attestation

I, the undersigned official veterinarian, hereby certify that the animals described in Part 1 meet the following requirements:

II.1⁽³⁾ The consignment of salamanders⁽²⁾ comes from a third country of origin which is listed in a document relating to 'equidae' published on gov.uk in accordance with Commission Implementing Regulation 2018/659, in Table 2 of a document relating to 'meat products' published on gov.uk in accordance with Commission Decision 2007/777/EC, in a document relating to 'poultry and poultry products' published on gov.uk in accordance with Commission Regulation (EC) No 798/2008, in a document relating to 'meat of wild leporidae, certain wild land mammals and of farmed rabbits' published on gov.uk in accordance with Commission Regulation (EC) No 119/2009, in a document relating to 'fresh meat of ungulates' published on gov.uk in accordance with Commission Regulation (EU) 206/2010 or in a document relating to 'milk and milk products' published on gov.uk in accordance with Commission Regulation (EU) 605/2010.

II.2 The salamanders have been examined and do not show clinical signs of infection with the fungus *Batrachochytrium salamandrivorans* (Bsal), and in particular skin lesions and ulcers, at the time of the examination which took place within a period of 24 hours prior to the planned time of dispatch of the consignment to Great Britain.

**Salamanders from EU countries
GBHC160E**

II.a. Certificate reference no.	II.b.
--	--------------

II.3 The consignment of salamanders has been isolated from other salamanders at the latest at the time of the examination referred to in point II.2 and the consignment has not been in contact with other salamanders since that time.

Notes

References to European Union legislation within this certificate are references to direct EU legislation which has been retained in Great Britain (retained EU law as defined in the European Union (Withdrawal) Act 2018) and can be viewed on the UK legislation website (legislation.gov.uk).

References to Great Britain in this certificate include Channel Islands and Isle of Man.

Part I:

- (1) Complete or cross out as appropriate: CITES authorisation number is relevant only for animals listed in the Washington Convention on protected species.

Part II:

- (2) 'Salamanders' means all amphibians of the order Caudata.
- (3) Documents relating to 'equidae', 'meat products', 'poultry and poultry products', 'meat of wild leporidae, certain wild land mammals and of farmed rabbits', 'fresh meat of ungulates' and 'milk and milk products' for EU and EFTA states published by the Secretary of State, with the consent of the Scottish and Welsh Ministers, may be found here:

[EU and EFTA states approved to export animals and animal products to Great Britain - data.gov.uk](https://data.gov.uk)

The colour of the stamp and signature must be different from that of the other particulars in this certificate.

This certificate is valid for a period of 10 days from the date of examination in the third country of origin.
