

EMPLOYMENT TRIBUNALS

Claimant: Mr L Ramos

Respondent: Nottinghamshire Women's Aid Limited (1)
Ms A J Bloomer (2)

JUDGMENT

1. The claimant's application dated 20 July 2022 (received by EJ Welch on 16 September 2022) for reconsideration of her decision not to anonymise the claimant's middle name in the Judgment dated 10 March 2022 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked for the reasons that follow.
2. The claimant made an application on 7 July 2022 for his middle name to be anonymised to the letter "G" in the Judgment dated 10 March 2022. This was refused by me and reasons were provided confirming this.
3. The claimant's application dated 22 July 2022, sent to me on 16 September 2022, provides no further grounds on which to vary or revoke that decision. I do not consider that it is in the interests of justice to anonymise the claimant's middle name in the Judgment. Therefore, the reconsideration request is refused.
