<p><b>Alert Number</b></p>	<p>2205-0285</p>
<p><b>Product Type</b></p>	<p>Toys – Fidget Toy</p>
<p><b>Product Identifiers</b></p>	<p>AliExpress Item No: 1005002582677303</p>
<p><b>Product Description</b></p>	<p>A blister pack containing three black plastic magnetic rings with a white plastic layer inside to enable spinning function</p>
<p><b>Country of Origin</b></p>	<p>Unknown</p>
<p><b>Counterfeit</b></p>	<p>Unknown</p>
<p><b>Risk Type</b></p>	<p>Choking and internal injuries</p>
<p><b>Risk Level</b></p>	<p>High</p>
<p><b>Risk Description</b></p>	<p>The product presents a high risk of choking as the magnetic rings are small parts as received, which fit into a small parts cylinder. A young child may put a small part in its mouth and the parents may not notice in time, so the small part can block the child’s airways. The magnetic flux density of all three magnets was found to be greater than the limit of 50kG<sup>2</sup>mm<sup>2</sup>. Small, high-powered magnetic products can be easily swallowed and, when ingested, have the potential to cause serious internal injuries within the gastrointestinal tract. The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
<p><b>Corrective Measures</b></p>	<p>OPSS is requiring the recall of the product from end users</p>
<p><b>Online Marketplace</b></p>	<p>AliExpress – The product has been delisted from the online marketplace</p>
<p><b>Notifier</b></p>	<p>Office for Product Safety and Standards</p>
