The Employment Judge gave judgment as follows :-

JUDGMENT

1. The Claimant's application to amend his claims in both cases is **DISMISSED** upon withdrawal by him today save as to minor corrections as to dates which the Respondent accepts.
2. The Claimant's application for a 'split trial' and to restrict the issues to be determined at the 17 day hearing listed to commence on 10 January 2023 to those of liability only is **REFUSED** and the final merits hearing remains listed to consider all those matters relating to liability and remedy in both claims.
3. There was insufficient time today to decide the Respondent's application for the costs of this hearing. The said application must be set out in writing by 21st October 2022 and sent for my attention. The Claimant shall respond in writing by 28 October 2022. I will then consider whether the matter may properly be dealt with by way of written representations or

whether a hearing is necessary.
