Alert Number	2210-0110
Product Type	Machinery – Charging Chainsaw
Product Identifiers	Model D-04 Barcode: ZLX0001-X001HMW5Q5 Charger model DW-168-08
Product Description	Electric, battery-operated saw with charger.
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric shock
Risk Level	Serious
Risk Description	The product poses a serious risk of electric shock as when tested the creepage / clearance distances in the transformer were found to be inadequate. The product's charger featured poor quality soldering with wires soldered directly to the printed circuit board. No fuse was present in the product to protect from overcurrent faults. If there was a surge in the electrical current, the product would become live due to insufficient creepage and clearance distances and the lack of fuse in the charger would cause the product to be able to give the consumer an electric shock. The product does not meet the marking requirements of the relevant standard. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.
Corrective Measures	The import has been rejected at the border and destroyed.
