

# EMPLOYMENT TRIBUNALS

**Claimant:** Mrs M Durojaiye

**Respondent:** St Mary's Care Limited

## JUDGMENT

The respondent's representative's application dated 5<sup>th</sup> August 2022 for reconsideration of the judgment sent to the parties on 27 July 2022 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked. The order that the respondent make a payment for preparation time to the claimant's representative is unamended.

The paragraph objected to by the respondent's representative is in the reasons for the decision at paragraph 46 and contains a typographical error that the sum is payable by the respondent's representative. This will be corrected by means of a Certificate of Correction. The Preparation Time Order itself is clear that the sum is payable by the respondent, not its representative.
