THE PRIME MINISTER

16 November 2022

Dear Dominic

I thank you for your letter and the recommendation that the two formal complaints against you in previous roles are investigated independently. I know that you will be keen to address the complaints made against you and agree that proceeding in this way is the right course of action.

Integrity, professionalism and accountability are core values of this Government. It is right that these matters are investigated fully.

Yours sincerely

The Right Honourable Dominic Raab MP
